2024 PARTNERSHIP COMMITMENT FORM

Hope Academy is one of only ten recovery high schools in the United States accredited by the Association of Recovery High Schools. Students who receive ongoing support for substance use issues have higher graduation rates, lower absentee rates and are more likely to abstain from using substances.

Please send me an invoice to be paid by October 11

Please secure your partnership by Monday, September 30 to maximize your company's exposure and partnership with Hope Academy. The Hope Academy development team is available to discuss other strategic partnership opportunities which could include employee engagement, substance use disorder education and skills-based volunteering. If you are interested in a different type of partnership, please email us to schedule time to discuss your corporate social responsibility goals to create a partnership package for your organization.
